

## List of issues and topics that appear in the Bureau’s Text for the Pandemic accord and the compilation of proposed amendments to the IHR (2005)

This document is provided by the Bureaux of the INB and WGIHR to support discussions during the 5 June virtual informal meeting of Member States, in preparation for the joint INB-WGIHR plenary meeting to be held on 21 and 24 July 2023.

It identifies a non-exhaustive list of issues/topics that have been addressed both in the INB and WGIHR processes. It does not purport to propose the allocation of issues or topics to either process.

For each issue/topic, the table below identifies relevant articles from the Bureau’s text of the WHO CA+ (document A/INB/5/XX) and the Article-by-Article Compilation of Proposed Amendments to the International Health Regulations (2005) (document [A/WGIHR/2/7](#)) which address the issue/topic.
