

To request kits, sets and reference materials, please send your request to the e-mail:
reactivospanaftosa@paho.org. For any other information, call +55 (21) 3661-9083

Kits and Sets

Foot-and-mouth disease diagnostic kit			
Catalog Number	Description	US\$/Kit (*)	Order Required quantity
PSE-001	ELISA FMD gIII – multispecies (1 Kit = 880 tests)	1,650.00	Kit(s)
PSE-002	EITB – Confirmatory test – cattle and buffaloes (1 Kit = 132 tests)	1,650.00	Kit(s)

(*) Shipping costs are not included.

Set for diagnosis by ELISA-SI			
Catalog Number	Description	US\$/Set (*)	Order Required quantity
PDP-003	Foot-and-mouth disease and vesicular stomatitis – TYPING (1 Set = q.s. 175 tests) Composed by: Capture: Sera Poly "O", Poly "A", Poly "C", New Jersey, Poly Indiana, Normal rabbit Detectors: Sera Poly "O", Poly "A", Poly "C", New Jersey, Poly Indiana, Normal guinea pig Controls: Virus "O", Virus "A", Virus "C", Virus New Jersey, Virus Indiana, Negative	770.00	Set(s)

(*) Shipping costs are not included.

ELISA-CFL antibody identification set			
Catalog Number	Description	US\$/Kit (*)	Order Required quantity
PCV-004	Set Serotype O₁ Campos – Foot-and-mouth disease (1 Set = q.s. 1.000 samples of a single serotype for screening - 32 plates) Composed by: Capture: Rabbit hyperimmune serum (140S) Detector: Guinea pig hyperimmune serum Controls: Bovine sera Antigen: Inactivated viral suspension Blocking serums	990.00	Set(s)
PCV-005	Set Serotype A₂₄ Cruzeiro - Foot-and-mouth disease (1 Set = q.s. 1.000 samples of a single serotype for screening - 32 plates) Composed by: Capture: Rabbit hyperimmune serum (140S) Detector: Guinea pig hyperimmune serum Controls: Bovine sera Antigen: Inactivated viral suspension Blocking sera	990.00	Set(s)

(*) Shipping costs are not included.

Serological diagnosis kit for glanders			
Catalog Number	Description	US\$/Kit (*)	Order Required quantity
PSE-112	Kit Glanders ELISA BKM16 – Screening test (1 Kit = 455 tests)	792.00	Kit(s)
PSE-113	Kit Glanders WB (Western Blotting) – Confirmatory test (1 Kit = 100 tests)	858.00	Kit(s)

(*) Shipping costs are not included.

Reference Materials

Reference Laboratory WOA/FAO from PANAFTOSA/VPH-PAHO/WHO

Virus		
Catalog Number	Description	US\$/mL (*)
LREF-020	Foot-and-mouth disease virus seed	300.00
LREF-021	Vesicular stomatitis virus seed	300.00

(*) Shipping costs are not included

Cells (BHK-21 C-13, IB-RS II, VERO, MDBK, NEURO 2A, PK15, BT) – (Flask T75)		
Catalog Number	Description	US\$/unit (*)
LREF-022	BHK-21 (C-13) monolayer – fresh culture (Room temperature 20 to 28°C)	280.00
LREF-023	BHK-21 (C-13) suspension (adapted) – fresh culture (Refrigerated 2 to 8°C)	300.00
LREF-025	IB-RS II monolayer – fresh culture (Room temperature 20 to 28°C)	280.00
LREF-026	Vero monolayer – fresh culture (Room temperature 20 to 28°C)	280.00
LREF-027	MDBK monolayer – fresh culture (Room temperature 20 to 28°C)	280.00
LREF-040	NEURO 2A monolayer – fresh culture (Room temperature 20 to 28°C)	280.00
LREF-041	PK15 monolayer – fresh culture (Room temperature 20 to 28°C)	280.00
LREF-042	BT monolayer – fresh culture (Room temperature 20 to 28°C)	280.00
LREF-028	Frozen cell cryotube 1 mL (Transport on dry ice – temperature -70°C)	550.00

(*) Shipping costs are not included.

International Reference Standards (WOAH) ELISA 3ABC/EITB		
Catalog Number	Description	US\$/unit (*)
LREF-029	Negative control – 3ABC/EITB	250.00
LREF-030	Strong positive control – 3ABC/EITB	250.00

(*) Shipping costs are not included.

International Reference Standards (WOAH) Molecular Biology (in TRIzol)		
Catalog Number	Description	US\$/mL (*)
LREF-032	Positive control FMDV – O	75.00
LREF-033	Positive control FMDV – A	75.00
LREF-034	Positive control FMDV – C	75.00
LREF-035	Positive control VSNJV (<i>New Jersey vesiculovirus</i>)	75.00
LREF-036	Positive control VSIV (<i>Indiana vesiculovirus</i>)	75.00
LREF-037	Positive control COCV (<i>Cocal vesiculovirus</i>)	75.00
LREF-038	Positive control VSAV (<i>Alagoas vesiculovirus</i>)	75.00
LREF-039	Positive control Blue Tongue (BTV)	75.00
LREF-045	Positive control Bovine Viral Diarrhea (BVD)	75.00
LREF-046	Positive control Senecavirus A (SVA)	75.00
LREF-047	Control Infectious Bovine Rhinotracheitis (IBR)	75.00

(*) Shipping costs are not included.
