

# COVID-19

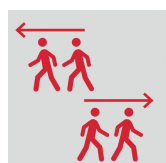

## Measures to be taken in the presence of symptomatic workers in the workplace

Contact your manager in case you have symptoms of COVID-19.

Follow national guidelines to report suspected COVID-19 cases.

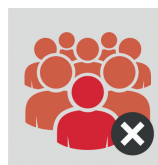

Organize the staff in work shifts.

*Workers with symptoms should be isolated in a room with a closed door and opened windows.*

Clean and disinfect all surfaces and areas that had been contact with the infected worker.

Do not touch or come into contact with other workers.

Workers who were in contact with the infected employee should remain in quarantine for 14 days.

After quarantine, workers can return to work when:

**TEST 1** Covid-19:  
+  Positive  
-  Negative

**TEST 2** Covid-19:  
+  Positive  
-  Negative

Or

**14 additional days after the occurrence of symptoms**

**CLOSURE OF THE FOOD COMPANY IS NOT RECOMMENDED.**
