

## What am I?

I'm a black fly and  
I can transmit Onchocerciasis.

## What is Onchocerciasis?

It's a disease that can cause blindness  
and other symptoms.

## Where can I be found?

I can be found in Sub-Saharan Africa,  
Yemen and remote areas of Latin America.

## What can you do to prevent this disease?

- Wear light-colored, long-sleeved shirts and trousers
- Use insect repellent

Send us your art to [events@paho.org](mailto:events@paho.org)  
and we will feature it in our website
