

COVID-19

Coronavirus Disease 2019

WARNING: FALSIFIED MEDICAL PRODUCTS

There are a growing number of **falsified medical products** that claim to prevent, detect, treat or cure COVID-19.

Falsified medical products **can carry significant health risks.**

Many internet sites sell falsified or substandard medicines.

Taking any unapproved medicine for COVID-19 is **dangerous.**

If you detect or suspect falsified or unregulated medical products, **notify the health authorities in your country.**
