ELECTION OF TWO MEMBERS TO THE ADVISORY COMMITTEE OF THE LATIN AMERICAN AND CARIBBEAN CENTER ON HEALTH SCIENCES INFORMATION (BIREME)

1. Article VI of the Statute of the Latin American and Caribbean Center on Health Sciences Information (BIREME),¹ approved by the 49th Directing Council of the Pan American Health Organization (PAHO) (Resolution CD49.R5 [2009]), establishes that the Advisory Committee of BIREME shall be made up of one member appointed by the Director of the Pan American Sanitary Bureau (the Bureau) and another appointed by the Government of Brazil as permanent members, and that five members shall be selected and named by the Directing Council or the Pan American Sanitary Conference of PAHO on a rotating basis from among the BIREME membership (which currently includes all of the Member States, Participating States, and Associate Members of PAHO), taking geographical representation into account.
2. The BIREME Advisory Committee is charged, among other duties, with making recommendations to the Director of the Bureau regarding BIREME's programmatic functions based on PAHO's Strategic Plan and technical cooperation work plan and on recommendations from the members of BIREME's Scientific Committee (Article VI, 4[a]).²
3. The 49th Directing Council named the five nonpermanent members of BIREME's first Advisory Committee (Resolution CD49.R6 [2009]). The corresponding Directing Council and Pan American Sanitary Conference elected the subsequent members. The following list includes the dates on which the current members' terms end:

¹ BIREME is PAHO's Pan American center devoted to providing technical cooperation to the Region of the Americas in the area of health sciences information and communications.

<i>Country</i>	<i>End of Term</i>
Barbados	December 2020
El Salvador	December 2020
