SITUATION OVERVIEW

Jamaica, Bermuda and the Cayman Islands started preparedness for any possible introduction of the novel coronavirus – COVID-19 in early January 2020, immediately following identification of the novel coronavirus on 7 January 2020 in China.

The respective national level Committees / Councils continue to guide all sectors in the required preparedness and response actions.

ACTIONS TAKEN:

Jamaica:

- MOHW:

1. A new application for self-monitoring by persons in isolation and quarantine was implemented by the MOHW.
2. Additional isolation facilities have been identified to accommodate approximately 300 persons outside of hospital
3. Interim guidelines for the management of pregnant women completed and circulated.
4. Continue contact tracing, testing and quarantine of MOHW workers who are contacts of a confirmed case at the MOHW Head Office.
5. Continue special containment measures for workers and contacts at identified Call Centres.
6. Further the planning and guidelines for lock-downs of parishes and possibly the country
7. Escalate the identification of cases and contacts, contact tracing, establishment of national quarantine and isolation facilities and installation of equipment and materials for case management.
8. Expand community engagement and risk communication for persons in home quarantine and isolation.

- PAHO:

1. Planning and coordination
 - a. 24-hr technical guidance and support to the MOHW EOC and executive, focusing on coordination of health sector activities, re-organization of the health services, epidemiological surveillance, contact tracing, laboratory and case management.
 - b. Technical lead for COVID-19 response in collaboration with UNCT and International Development Partners
2. Resource mobilization
 - a. Lead on coordination and resource mobilization of Health Sector Group for partners / donors in collaboration with the Ministry of Foreign Affairs and within the UNCT.
 - b. Hand-over of 25 android tablets for surveillance, focusing on Go.Data for contact tracing and enzymes for the National Influenza Centre by PWR to MOHW – 25 April 2020
 - c. Submission of UN SG COVID-19 Response and Recovery MPTF by UNCT – 24 April 2020 – PAHO and UNFPA are RUNOs in collaboration with UNAIDS in Window 1, with PAHO proposal included.
 - d. PWR brief to Donor Group – UNCT, Diplomatic community and International Development Partners chaired by Ministry of Foreign Affairs on PAHO's lead role in coordination of donations to health -24 April 2020.
 - e. The PAHO CO SPRP 9-pillar plan and budget were uploaded on the WHO COVID-19 Partners Platform on 21 April 2020.
 - f. Planning meetings held with UNCT to further preparation of proposal for UN MPTF-April 18, 19 & 21, 2020
 - g. Preparation of health sector COVID-19 plan and budget by pillars to guide resource mobilization, including for funding by USAID, CDC, USA and EU DEVCO
 - h. Provision of laboratory test kits and PPEs to MOHW.
3. Research

- a. Maintain membership on the Essential National Health Research Committee and provide support to formulate the research agenda for COVID-19, including for early investigations
4. Case management and IPC
 - a. Technical guidance on case management and IPC, including for a field hospital (EMT SARI), with PAHO Emergency Medical Team section

NEEDS
