THE 59th DIRECTING COUNCIL,

Having examined the Program Budget of the Pan American Health Organization 2022–2023 (*Official Document 363*);

Having considered the report of the 168th Executive Committee (Document CD59/2);

Noting the efforts of the Pan American Sanitary Bureau (PASB) to propose a program budget that takes into account both the socio-economic considerations and the joint responsibility of Member States and PASB in achieving public health mandates;

Noting the efforts of PASB to propose a program budget that considers the evolving context and impact of the ongoing COVID-19 pandemic at global, regional and country levels;

Bearing in mind Article 14.C of the Constitution of the Pan American Health Organization and Article III, paragraph 3.5, of the Financial Regulations of the Pan American Health Organization,

RESOLVES:

1. To approve the program of work of the Pan American Health Organization (PAHO) with a budget of US\$ 640.0 million¹ for base programs and \$48.0 million for special programs, as outlined in the Program Budget of the Pan American Health Organization 2022–2023 (*Official Document 363*).

4. To encourage Member States, Participating States, and Associate Members to make voluntary contributions that are aligned with the PAHO Program Budget 2022-2023, and where possible, to consider making these contributions fully flexible and un-earmarked.
5. To approve assessed contributions for the biennium 2022-2023 in the amount of \$225.5 million composed of: *a*) \$194.4 million in net assessments of Member States, Participating States, and Associate Members, which requires no increase over the last approved amount of net assessed contributions (\$194.4 million), and *b*) \$31,150,000 as a transfer to the Tax Equalization Fund, as indicated in the table below.
6. In establishing the contributions of Member States, Participating States, and Associate Members, assessed contributions shall be reduced further by the amount standing to their credit in the Tax Equalization Fund, except that credits of those states that levy taxes on the emoluments received from PASB by their nationals and residents shall be reduced by the amounts of such tax reimbursements by PASB.
7. To finance the approved base programs in the following manner and from the indicated sources of financing:

Source of financing	Amount (US\$)
Assessed contributions from PAHO Member States, Participating States, and Associate Members	225,550,000
