

EPI Newsletter 1979

Article Page

May 1979, Volume I, Number 1

• Introduction.....	1
• Epidemiology.....	2
• Research: Measles Vaccination	2
• EPI Revolving Fund.....	3
• Training Activities	4
• Cold Chain.....	5
• Newsbriefs.....	6
• List of National Program Managers.....	6
• National Vaccination Schedules.....	7
• Selected Readings	8

July 1979, Volume I, Number 2

• Country Operations: Costa Rica.....	1
• Training Activities	2
• Epidemiology: Poliomyelitis in the Americas, 1976-1978.....	3
• EPI Revolving Fund.....	4
• Cold Chain	5
• Control of Vaccine for the EPI Program	6
• Effects of Thawing and Freezing on Oral Polio Vaccine	6
• Incidence of EPI Diseases in the Americas: 1978-1979	7
• Newsbriefs	8

September 1979, Volume I, Number 3

• EPI Revolving Fund.....	1
• Measles: An Outbreak in Panama City, 1978	2
• Poliomyelitis: Honduras, 1979.....	3
• Measles in the Region of the Americas, 1971-1978.....	4
• Cold Chain: Refrigerators for Health Center Use	5
• Agreement Between PAHO/Ministry of Health, Colombia/CIMDER.....	5
• EPI Vaccines and Other Vaccines	6
• Reported Cases of EPI Diseases in the Americas and the Caribbean	7
• Newsbriefs.....	8
• Selected Readings	8

EPI Newsletter 1979

Article Page

December 1979, Volume I, Number 4

- EPI in Brazil: Vaccination Coverage 1
- Cold Chain: Summary of Refrigerator Testing 3
- EPI Revolving Fund: Summary of 1979 Operations..... 4
- Intervals Between Successive Doses of Killed Vaccines: The Persistence of Immunological Memory and Implications for the EPI 4
- International Symposium on Pertussis 5
- Improved Stability of Freeze-dried Measles Vaccine 6
- Regional Self-sufficiency in Vaccines for the EPI Program..... 6
- Reported Cases of EPI Diseases in the Americas 7
- Newsbriefs..... 8

EPI Newsletter 1980

Article Page

February 1980, Volume II, Number 1

- EPI Global Advisory Group Meeting..... 1
- Summary of EPI Courses, 1979..... 3
- Continuing Education in Family Health Nursing 4
- Status of Immunization Programs in the Region of the Americas 4
- EPI Revolving Fund: First Quarter Operations, 1980 6
- Live Attenuated Measles Vaccine 6
- Reported Cases of EPI Diseases in the Americas 7
- Cold Chain: Regional Cold Chain Center 8

April 1980, Volume II, Number 2

- Country Operations: The EPI in Bolivia..... 1
- Measles in the Region of the Americas, 1978-1979 3
- Poliomyelitis in Argentina 4
- Training Activities: 1980 EPI Courses 4
- Second WHO Meeting on Pertussis Research 5
- BCG Vaccination in the Newborn and Young Infants..... 6
- Reported Cases of EPI Diseases in the Americas 7
- Selected Readings 8

June 1980, Volume II, Number 3

- EPI in the English-speaking Caribbean, 1979..... 1
- Evaluation of Immunization Status of One-year Old Children in Recife, Brazil 3
- Thermometers for Refrigerators 5
- Summary of Tests on Vaccine Cold Boxes and Hand Carriers..... 5
- Reported Cases of EPI Diseases in the Americas 7
- Surveillance Guidelines..... 8
- The Importance of Testing Vaccines..... 8

EPI Newsletter 1980

<u>Article</u>	<u>Page</u>
----------------	-------------

August 1980, Volume II, Number 4

• EPI Revolving Fund: New Members and Summary of 1980 Operations	1
• Measles in Argentina: 1952-1979	2
• Diphtheria in Venezuela: 1956-1975	3
• Terms of Reference of the EPI Global Advisory Group.....	3
• Forty Thousand Doses of Vaccine Saved	4
• WHO International List of Availability of Vaccines.....	4
• Retesting of Vaccines: Update to EPI Manual of Operations.....	5
• EPI Workshop Session on Programming Immunization Services	5
• PAHO Executive Committee Meeting, 1980.....	5
• EPI National Program Managers.....	6
• Reported Cases of EPI Diseases in the Americas	7
• Selected Readings	8

October 1980, Volume II, Number 5

• Observations on an Outbreak of Measles in Serrana Municipality, São Paulo State, Brazil.....	1
• Measles: United States, First 39 Weeks of 1980	5
• Poliomyelitis: Dominican Republic, 1980	6
• Cold Chain: Developing Alternatives for the Solution of Cold Chain Problems....	6
• Reported Cases of EPI Diseases in the Americas	7

December 1980, Volume II, Number 6

• EPI Global Status Report	1
• Surveillance: Graphic Monitoring of Immunization Coverage	3
• Improved Stability of EPI Vaccines	4
• Measles Vaccine Efficacy: United States	4
• Status of Immunization Programs in the Americas	5
• Reported Cases of EPI Diseases in the Americas	7
• Poliomyelitis: Honduras, 1979 and Venezuela, 1979	8

EPI Newsletter 1981

Article Page

February 1981, Volume III, Number 1

- Local Level EPI Course: Peru 1
- Local Level EPI Course: Guatemala 2
- Local Level EPI Course: British Virgin Islands 2
- National Cold Chain Course: Argentina 3
- Control of Poliomyelitis in Brazil 3
- Measles: Costa Rica, 1979 5
- Reported Cases of EPI Diseases in the Americas 7
- Argentina: Compulsory Presentation of Measles Vaccination Certificate for Admission to Primary and Pre-primary School..... 8
- Improved Stability of EPI Vaccines: Correction..... 8

April 1981, Volume III, Number 2

- Poliomyelitis: Cuba, 1962-1978..... 1
- Measles, United States 2
- Measles: Costa Rica, 1980 2
- PAHO Forms for Quarterly Vaccination Reports..... 3
- Epidemic Outbreak of Measles in Three Central Provinces of Chile..... 4
- Accuracy of the WHO/EPI Liquid Crystal Thermometer Tape: Summary Report 5
- Kerosene for Vaccine Refrigerators in Developing Countries 5
- Heat Stability of EPI Vaccines..... 6
- National Advisory Committee on Immunization (NACI): Further statement on Elimination of Indigenous Measles in Canada 6
- Barbados Contribution to Capitalization of the EPI Revolving Fund 8
- Ecuador: Local EPI Courses 8

June 1981, Volume III, Number 3

- Multidisciplinary EPI Evaluation 1
- EPI National Program Managers' Meeting, Quito, Ecuador, 18 to 22 May 1981 . 4
- Panama: Summary of Immunization Data from 1979..... 5
- Reported Cases of EPI Diseases, 1980 and 1979, by Country 7
- Regional Cold Chain Development: CIMDER 8

EPI Newsletter 1981

Article Page

August 1981, Volume III, Number 4

- Multidisciplinary EPI Evaluation: Bolivia 1
- Poliomyelitis: Colombia, 1981 4
- The Thermostability of Different BCG Products 6
- Reported Cases of EPI Diseases 7
- Regional Meeting for EPI Managers from English-speaking Countries:
Jamaica, 14-18 September 1981
- EPI Courses in Bolivia 8

October 1981, Volume III, Number 5

- Review of Poliomyelitis in the Dominican Republic 1
- The Epidemiology of Measles in the State of Rio Grande do Sul, Brazil 3
- EPI Vaccination Coverage and Reported Cases, 1980 5
- Retesting of Vaccines: Update to EPI Manual of Operations 6
- Rotary International Support to EPI in Bolivia and Haiti 6
- Reported Cases of EPI Diseases 7
- World Congress on Health Information Systems and the Developing Countries . 8
- Cuban Contribution to the EPI Revolving Fund 8

December 1981, Volume III, Number 6

- EPI Revolving Fund Operations: 1979-1981 1
- Review of Poliomyelitis in the Americas, 1971-1980 2
- Cold Chain Course in Mexico 4
- Review of EPI Training Activities 4
- United States: Measles Importations from the Americas 5
- Immunization Status of Children Entering School in Canada, 1980 6
- Reported Cases of EPI Diseases 7
- Newsbriefs 8
