

**17th SESSION OF THE SUBCOMMITTEE
ON PROGRAM, BUDGET, AND ADMINISTRATION
OF THE EXECUTIVE COMMITTEE**

Washington, D.C., USA, 22-24 March 2023

Provisional Agenda Item 4.3

SPBA17/9
15 February 2023
Original: English

**AMENDMENTS TO THE PAN AMERICAN SANITARY BUREAU
STAFF REGULATIONS AND RULES**

Introduction

1. The Staff Regulations of the Pan American Sanitary Bureau (PASB or the Bureau) may be supplemented or amended by the Directing Council or the Pan American Sanitary Conference of the Pan American Health Organization (PAHO) pursuant to Staff Regulation 12.1.
2. In accordance with Staff Rule 020, the Staff Rules of PASB may be amended by the Director, subject to confirmation by the Executive Committee of PAHO.
3. Accordingly, the Director will submit for confirmation to the 172nd Session of the Executive Committee the amendments to the Staff Rules established by the Director since the 170th Session of the Executive Committee, as shown in Annexes A and B of this document.

Substantive Amendments to the Staff Rules

4. These amendments are made to maintain consistency in the conditions of employment of staff of the PASB with the United Nations (UN) common system organizations, to align with the World Health Organization (WHO), in consideration of experience, and in the interest of good human resources management.

Remuneration of Professional and Higher Categories

5. In its report for the year 2022, the International Civil Service Commission (ICSC) recommended that the current base/floor salary scale for the professional and higher categories and pay protection points be increased by 2.28%. This was done through the standard consolidation method of increasing base salary and commensurately reducing post adjustment multiplier points, resulting in no change to net take-home pay (i.e., on a no-loss/no-gain basis). Pay protection points apply to staff whose salaries were higher than those at the maximum steps of their grade upon conversion in 2017 to the unified salary scale. For consistency with the UN common system of salaries, allowances, and benefits, the Bureau implemented these increases with effect from 1 January 2023.
-

6. Amendments to Appendix 1 of the Staff Rules appear in Annex B of this document.

Salaries of Staff in Ungraded Posts and the Director's Salary

7. As a result of the change in salary for staff in the professional and higher categories, a similar revision to the salaries for the posts of Director, Deputy Director, and Assistant Director is also required to accommodate the changes in the post adjustment multiplier points. This revision is accomplished through the standard consolidation method (i.e., on a no-loss/no-gain basis for staff).

8. According to Staff Regulation 3.1, the salary of the Director shall be fixed by the Executive Committee. The salaries of the Deputy Director and Assistant Director shall be determined by the Director of the Bureau with the approval of the Executive Committee.

Allowance for Children with Disabilities

9. The United Nations General Assembly at its seventy-seventh session approved as a compensation measure an increase in the allowance for children with disabilities from US\$ 5,858¹ to \$6,645 per child per year, but did not approve a similar increase in the dependent child allowance. As a result, Staff Rule 340.2 will be amended to delink the calculation of the allowance for children with disabilities from the amount of the dependent child allowance, which remains unchanged.

Official Holidays

10. Staff Rule 620 specifies the observance of 10 official holidays per year for PASB personnel. In the United Nations common system, the number of official holidays ranges from 9 to 11 days per year. In 2021, 19 June became a federal holiday (Juneteenth) for government employees in the PASB Headquarters host country, the United States of America. Juneteenth commemorates the emancipation of enslaved African Americans and is intended not only to celebrate but also to educate regarding the importance of equity and equality.

11. It is proposed that: *a*) the number of official holidays observed by PASB staff increases from 10 to 11 days per year; *b*) PASB staff in the United States of America will observe 19 June (Juneteenth) as the eleventh holiday of the year; and *c*) country offices are to determine the eleventh holiday of the year according to official national holidays.

Parental Leave

12. Staff Rules 760 and 765 establish the entitlements to maternity and parental leave, respectively, for PASB staff. As endorsed by the United Nations General Assembly at its seventy-seventh session and to promote consistency in the application of benefits for staff members within the UN common system,² the proposed amendments will combine these

entitlements under a single heading, “Parental Leave,” and provide 26 weeks of parental leave for gestational parents and 16 weeks for non-gestational parents holding fixed-term appointments. For staff with temporary appointments, the entitlement will be 13 weeks for gestational parents and eight weeks for non-gestational parents.

Financial Implications

13. The financial implications associated with the ICSC recommendations on the increase to the base/floor salary scale are estimated at approximately \$1.2 million per year across the United Nations system.

14. The financial implications associated with the increased allowance for children with disabilities are estimated at approximately \$5,500 per annum for the Bureau.

Action by the Subcommittee on Program, Budget, and Administration

15. The Subcommittee is invited to review the amendments to the PASB Staff Rules contained in the present document and make any recommendations it deems pertinent to the Executive Committee.
